

Winter Weather Policy

NHAIA does not cancel classes except under rare occasions. Because weather conditions are different across the state, we encourage you to use your own best judgment in deciding to drive to class.

If you do not wish to attend due to the weather conditions, please call our office at 1-800-559-3373 Ext. 310 or 603-224-3965 Ext. 310 and leave Judy Durst a message prior to the beginning of the class.

NHAIA's office policy is to close if Concord High School is closed as posted on WMUR Channel 9 News. At times, classes may only be delayed. You will find all information posted on our website (www.nhaia.com) by 6:00 am on the day of the class. You may also call our office and Judy's greeting (Ext. 310) will be updated to give you the details. It is your responsibility to check these resources prior to commuting to class.
